

# Conflict Incident Monthly Tracker

## Akwa Ibom State: October-November 2017

### Background

This monthly tracker is designed to update Peace Agents on patterns and trends in conflict risk and violence, as identified by the Integrated Peace and Development Unit (IPDU) early warning system, and to seek feedback and input for response to mitigate areas of conflict.

### Patterns and Trends

#### August-October 2017

According to Peace Map data incidents reported in Akwa Ibom during the period included criminality, cult violence, political tensions, and labor strikes/protests.

**Criminality:** In August, a policeman was reportedly killed during a shootout with robbers in Uyo. In September, robbers reportedly attacked a bank in Uyo. In October, the police reportedly arrested 15 suspects over kidnappings and killings in Etim Ekpo and Ukanafun LGAs of the state.

Criminality impacted on Violence Affecting Women and Girls (VAWG) in the state during the period. In October, a man reportedly killed his wife and dumped the corpse in a refuse dump in Uyo.

**Political Violence:** In September, one person was reportedly killed during a primary elections conducted by the Peoples Democratic Party (PDP) in Itu LGA.

**Gang/Cult Violence:** In August, several cult-related fatalities were reported in Etim Ekpo LGA. Four persons were reportedly killed

when about ten cultists attacked a village. Separately, cultists reportedly killed a man during a funeral procession. In another incident, cultists attacked some communities, killed four, and set ablaze several houses and a market. In September, cultists reportedly shot and injured a university student in Uyo, the state capital.

**Labor Strikes/Protests:** In September, youths in Eket LGA protested against an oil company calling for the relocation of its headquarters to the state. Separately, the Akwa Ibom state chapter of the Maritime Workers Union of Nigeria (MWUN) embarked on a strike in protest over labor issues in Mbo LGA.

**Other:** In September, a polytechnic student was reportedly killed by a policeman during a disagreement in Ukanafun LGA. The policeman was part of a team of policemen deployed to reduce cult violence in the area.

In October, five people reportedly died in a stampede during a football match in Uyo the state capital. The stampede occurred as spectators tried to avoid being beaten by the police who were preventing some hooligans from entering the pitch. Also, in October, tension was heightened among residents following the outbreak of 'Monkey Pox' disease in the state.

### Recent Issues or Incidents, November 2017

Incidents during the month included violent criminality and violence affecting women and girls (VAWG).

**Criminality:** During the month, gunmen reportedly attacked the local community

residence of a commissioner in the state and killed his younger sister in Ukanafun LGA. Two others were killed by stray bullet during the attack. Separately, a policeman and two others were reportedly killed by robbers in Ukanafun. In another incident, the police arrested three robbery suspects in Eket LGA. The suspects were arrested after they had robbed a man of the sum of one million Naira he had withdrawn from the bank.

A 28-year old woman was stripped and paraded by residents over unsubstantiated allegation of theft in Oruk Anam LGA.

### Prognosis

Incidents of conflict risk and violence during this period related mainly to criminality, kidnappings and killings. Peace actors should monitor the situation closely and respond appropriately.

### Questions for Peace Agents

1. Is there anything significant missing from the tracker in terms of hotspots, trends, or incidents?
2. Which conflict issue suggested by, or missing from, this tracker is a priority for you (as P4P Chapter, Prevent Committee, or other stakeholder)?
3. What are some likely trigger events in the next 6 months that could escalate this conflict?
4. Who are the key stakeholders that have influence on the conflict?
5. What will you do to help mitigate the conflict in the short, medium, and long term?
