

# Conflict Incident Monthly Tracker

## Ondo State: October-November 2017

### Background

This monthly tracker is designed to update Peace Agents on patterns and trends in conflict risk and violence, as identified by the Integrated Peace and Development Unit (IPDU) early warning system, and to seek feedback and input for response to mitigate areas of conflict.

### Patterns and Trends

#### August-October 2017

Incidents reported during the period included communal tensions, and criminality.

**Violent Criminality:** In August, robbers reportedly killed a pastor and stole his motorcycle in Okitipupa. Separately, gunmen reportedly abducted four passengers who were travelling on a commercial bus and shot dead another in Akoko North East LGA. In September, robbers reportedly killed five members of the same family who were on a trip and stole their vehicle in Ese-Odo LGA. Separately, a 28-year old surveyor was reportedly killed by gunmen in Akure North. In October, a 15-member gang of robbers reportedly attacked a bank, killed two policemen and stole money from the bank's vault in Ose LGA. Separately, robbers reportedly attacked the office of an airline and stole from the staff in Akure South. In a separate incident, gunmen reportedly attacked a mission house and killed a pastor in Odigbo LGA. In another incident, three robbery suspects including two brothers were lynched by a mob in Akure South. The

suspects were killed for attempting to steal motorcycles at gunpoint.

Criminality during the period involved violence affecting women and girls (VAWG). In August, for instance, two female students of a collage were reportedly kidnapped and killed for ritualistic purposes in Ondo West LGA. Separately, a 72-year old woman was reportedly killed in her farm in Odigbo LGA. In September, a 65-year old woman was reportedly beaten to death by a 30-year old man in Idanre LGA.

**Communal Tensions:** In August, herders reportedly attacked a farm in Odigbo LGA and killed a farmer who confronted them. Separately, herders reportedly killed four farmers and destroyed crops in Akure South. In September, a boy was reportedly killed and 20 others injured during a clash between

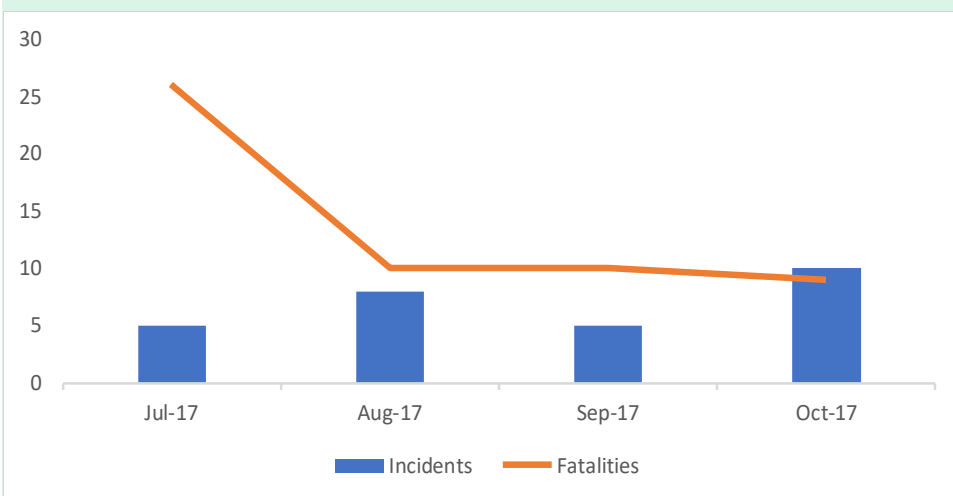

youths from Ugbonla and Ugbo communities in Ilaje LGA. Separately, two were reportedly killed during a clash over a leadership tussle in Ilaje LGA. In October, a 64-year old man was reportedly killed by herdsmen in his farm in Akure North LGA.

**Others:** In September, a high profile member of the Boko Haram group who has been on the wanted list of the Nigerian Army was reportedly arrested by the police in Akoko South East LGA.

### Recent Incidents or Issues, November 2017

Incidents during the month related mainly to criminality, and violence affecting women and girls (VAWG).

**Criminality:** A policeman and a pastor were reportedly killed during a gun battle between a team of police and a gang of kidnappers in Odigbo LGA. The son of the pastor and two others who were abducted by the kidnappers were rescued by the police.

#### **Violence Affecting Women and Girls**

**(VAWG):** A male member of the National Youth Service Corps (NYSC) was reportedly arrested by the police for uploading compromising photos of a woman on the internet in Akure South LGA. The suspect used the pictures to blackmail the victim in order to extort money from her.

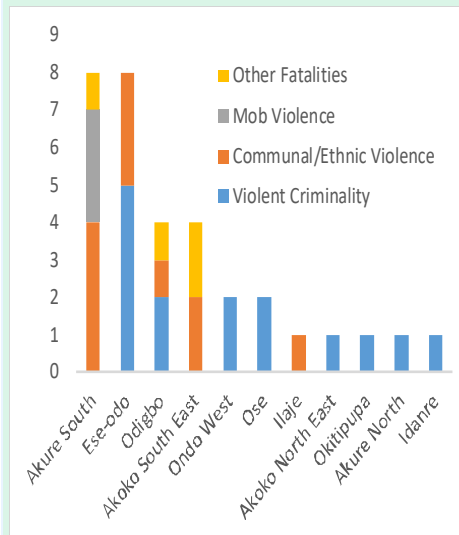

## Prognosis

Reported incidents during this period related mainly to criminality, communal tensions, and Violence Affecting Women and Girls (VAWG). Peace Agents must monitor the situation closely and respond appropriately.

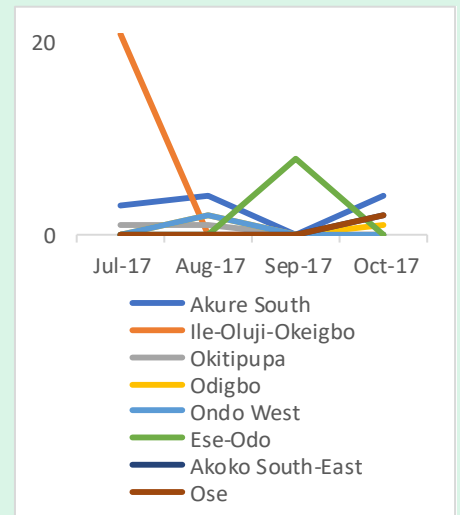

## Questions for Peace Agents

1. What is missing from the tracker in terms of hotspots, trends, or incidents?
2. Which conflict issue is a priority for you as a Peace Agent?
3. What are some likely trigger events in the next 6 months that could escalate this conflict?
4. Who are the key stakeholders that have influence on the conflict?
5. What will you do to help mitigate the conflict in the short, medium, and long term?
