

# Niger Delta Weekly Conflict Update

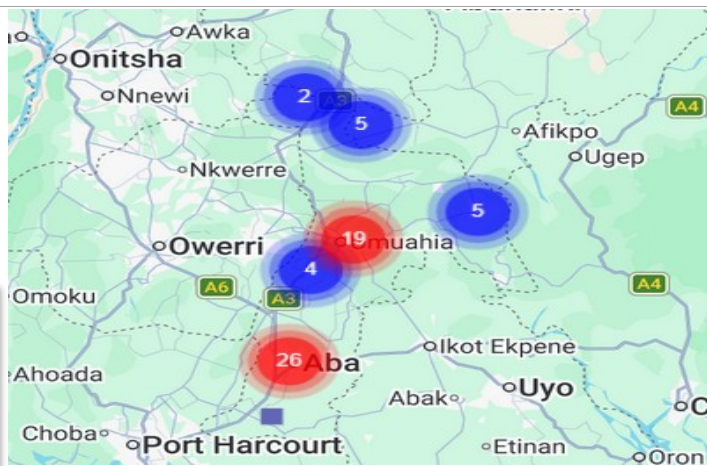

## Strengthening Security for Agricultural Production in Isuikwuato LGA, Abia State

May 10-16, 2026

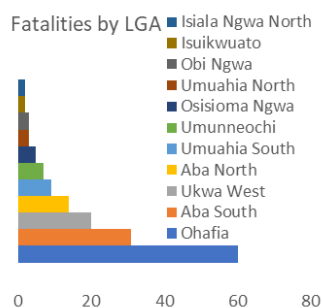

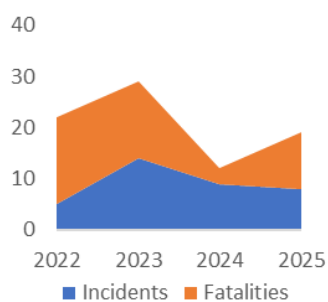

This update highlights growing security threats affecting agricultural production and rural livelihoods in Isuikwuato LGA, Abia State. Recent kidnappings and armed attacks along key farming and transportation corridors continue to disrupt farming activities, restrict access to farmlands and markets, and undermine agribusiness operations.

### Trends and Dynamics of Kidnapping and Armed Attacks in Abia State

Heat Map shows the concentration of reported incidents of kidnapping and armed attacks in Abia State from January 2022 to March 2026. Sources: All data sources formatted on PIND's P4P Peace Map [www.p4pnigerdelta.org](http://www.p4pnigerdelta.org)

### Anticipated Trends and Dynamics

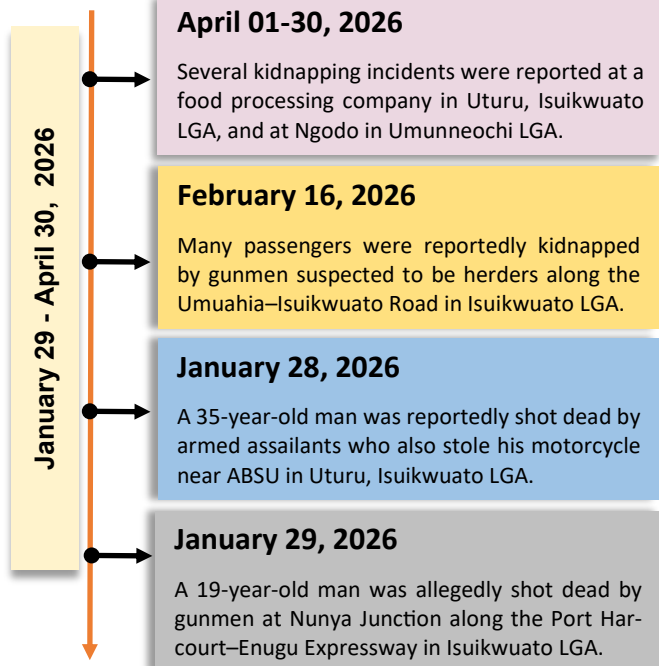

Armed violence and kidnapping remain persistent security threats in Isuikwuato LGA, with the potential to intensify if not effectively addressed. If current trends persist, they could further disrupt farming activities, limit access to markets, and undermine agribusinesses.

### Actions Taken to Mitigate the Situation

The police have intensified operations to curb criminal violence, while community leaders continue to support local security efforts. However, sustained stakeholder collaboration remains essential to improving rural safety and protecting agricultural livelihoods.

### Timeline of Recent Incidents of Kidnapping and Armed Attacks

**Our Services:** PIND's Integrated Peace and Development Unit (IPDU) provides technical support to stakeholders and implementing partners across the public and private sectors. With over 12 years of experience in peacebuilding, and conflict management, our in-house team of subject-matter experts, alongside a network of partners on the ground, delivers tailored support to national and international stakeholders. We specialize in peacebuilding, conflict early warning and response, conflict-sensitive development, research, and the production of data-driven conflict reports.
